Please fill out this registration form and include your registration fee of \$40.00 by May 2nd, 2011. Payments for the actual camps are due by June 17th.

9am to 2pm option:

The cost is \$175.00 per week for 5 hours of fun 5 days per week. (except week 2 which is only \$140.00!) That works out to \$7.00 per hour! You cannot even hire a teenage babysitter for that low cost! Your child will be in the most educational setting possible for the lowest rate possible! Great way to give the kindergarteners that last big boost before First Grade, and to continue the learning for the pre-schoolers. We encourage new students to come to camp to have a relaxed setting in which to integrate into the school. This makes the first day of school much easier. If you sign up for all 4 weeks there is a discount of \$20.00 bringing the cost to \$650. for all 4 weeks!

9am to 3pm option:

The cost goes up to \$750.00 for the whole month. Week per week is not an option for this plan. You must enroll for all 4 weeks to receive this great price. Other schools in the area are charging \$820.00 with a 4 week minimum.
